Pleasant Euchres.

"Nelson," the home of Mr. B. G. Stonestreet, in Charles county, was the scene of a very enjoyable entertainment on Tuesday evening, the 21st inst., on the occasion being a euchre given by Miss Julia Muschette in honor of her schoolmate, Miss Harriet Gatewood, of Alexandria. The place was very prettily illuminated with Japanese lanterns.

The social game began at 9 o'clock and continued for about an hour and a half. The winners were: Miss Harriet Gatewood, first lady's prize; Mr. Charles Cobb, of Baltimore, first gentleman's prize; Mrs. L. A. Wilmer, lady's booby; Mr. H. H. Hawkins, gentleman's booby. After the game refreshments were served.

A delightful euchre was given on Wednesday evening by Mrs. John Matthews at her beautiful home, "Idaho," in honor of Misses Harriet and Hildred Gatewood, of Alexandria, guests of Miss Julia Muschette. The party numbered about forty and every one spent a most enjoyable evening. Nine games were played with the following result: First lady's prize, Miss Mary Allison Wilmer; first gentleman's prize, Mr. J. Wirt Wilmer; lady's booby prize, Miss Annie Digges; gentleman's booby, Mr. Aubrey Mudd. Miss Wilmer, who received first prize, won every game. Supper and refreshment were served at 10:30 o'clock, after which dancing was indulged in until the midnight hour when all bade the kind host and hostess adieu for the evening. Mrs. Matthews was assisted by Mrs. Jennie F. Stone and Mrs. Henry G. Robertson. [Maryland Independent.

Explosion of a Bottle.

Mrs. Taylor, living at Four-mile run, on the Washington and Alexandria turnpike, was the victim of a serious accident on Thursday evening. She was about to open a bottle of soda water and had it in her hand when it exploded. Pieces of glass were hurled in every direction, and one fragment struck Mrs. Taylor on the face, cutting a deep gash from which blood flowed freely.

Mr. Joseph S. Grimes, of this city, had previously arrived at Four-mile run in his automobile, and he placed Mrs. Taylor in the vehicle and brought her here where she was attended by Dr. Smith. Mrs. Samuel Fisher, it will be remembered, was seriously injured in Washington a day or two ago by the explosion of a bottle of ginger ale.

Explosions of bottles containing such liquids have heretofore been unknown, but when two occurrences are noted in one week, people will naturally suspect that some manufacturers are not using old-time formulas, but are charging bottles with something that renders them exceedingly dangerous.

Pleasant Entertainment.

The entertainment last night tendered by the Golden Eagles of Alexandria to the Washington organization which visited this city was very enjoyable. The entertainment was given at the dining rooms of the "White Elephant," Mr. Chas. Zimmerman proprietor. The ideal musical club was present and rendered some convincing music. Mr. E. R. Boyer presided at the banquet table and acted as toast master. Mr. Geo. H. Hayden welcomed the visitors in an appropriate speech. Vice Chief J. T. Hutton, of Washington, made a speech in relation to the work of the order. About 30 plates were set and the dishes served were greatly relished.

After a few short speeches, recitations and musical selections the visitors departed on the 11:20 train for home, much pleased with their evening's experience. About a dozen young men of this city are members of Cyrus Castle, of Washington.

Death of Mrs. Matthews.

Mrs. Mary J. Matthews, wife of Mr. J. Matthews, died at her home on Prince street, between Fairfax and Lee, late yesterday evening. She leaves three children a son and two daughters. The deceased had been in ill health recently, and several weeks ago her condition became so grave that it was necessary to place her in a Washington hospital for treatment. She rallied temporarily, but a relapse followed and her condition again became critical. She lingered until yesterday evening when her death occurred. The many friends and acquaintances of the family in this city and Loudoun county, where they lived for many years, sincerely sympathize with them in their bereavement. The remains will be taken to Hillsboro Monday morning for interment.

War on "Skyparlor."

A meeting of colored people was held in the Third Baptist Church a few nights ago to devise means toward eliminating the "upper story" or "sky parlor" feature from saloons which are patronized mostly by colored people. Of late years the upper room has been regarded as indispensable in conducting saloons for colored people, for the reason that young women visit them and attract the males. The words "Ladies entrance" are on the side doors. Both sexes congregate in these upper chambers and drink, which is no breach of the peace, but they often quarrel and fight. The colored people who have inaugurated the movement are convinced that numbers of their female friends and acquaintances could and probably would secure service places if no such resorts existed, and a committee of seven was appointed to interview the authorities on the subject.

Police Court.

[Justice Wm. H. May presiding.] The following cases were disposed of this morning:

John Thompson and Gertrude Evans, both colored, arrested by Officers Smith and Lyles charged with disorderly conduct, were fined \$5 each.

Ruby James, arrested by Officers Beach and Bettis charged with disorderly conduct, was fined \$5.

A young man charged with disorderly conduct on an electric train, was fined \$2.50.

A resident of the First ward, charged with allowing two of his cows to roam at large was fined \$4.

Struck by a Train.

James Gray, an employee on a Washington-Southern freight train, was struck by south bound passenger train No. 40 about 12 o'clock last night on the left side of the head, shoulder and wrist while sitting on the track asleep at St. Asaph Junction, and seriously injured. Gray was brought to this hospital and placed in the Alexandria Hospital where he was attended by Dr. Smith. The injured man lives at Dumfries. His train had entered what is known as Porter's switch in order to allow the passengers train to pass, and while waiting for it to appear Gray sat down alongside the track and fell asleep.

Arrest of Gunners.

Constable A. J. Payne, of Fairfax county, is having trouble with certain Alexandrians who persist in violating the game laws by hunting in the neighborhood of this city. Two persons who were found with woodcock in their possession were taken in custody near the Dyke on Sunday last and two others on Wednesday. While approaching to make one of the arrests the constable was defied by a gunner who raised his fowling piece and threatened to shoot him. Mr. Payne was in this city today with warrants for the arrest of other parties living here who are charged with infractions of the game laws.

Placed Under Bond.

B. H. Blackwell, who was arrested in this city on Thursday by Constable A. J. Payne, of Fairfax county, on a peace warrant, was subsequently taken before Justice Kerby and placed under bond in the sum of \$200 for his future good behavior. Mr. Edgar Sullivan became his surety. Blackwell, it will be remembered, refused at first to accompany the constable and was arrested by Chief Webster for disorderly conduct. Later, however, he was released upon signifying his willingness to go with the officer.

The Market.

There was a fair attendance of sellers and buyers in market this morning. Prices of some vegetables showed a weakening tendency. Other articles were held at about former prices. Strawberries have nearly passed from the scene, and have been superseded by raspberries, cherries, &c. The first tomatoes grown in this neighborhood were brought here this morning by Mr. John Swift, who lives in Maryland, opposite this city. They brought \$3.50 per box.

Died from His Injury.

Elmer Steele, the young man who was shot by Constable Cornell in Alexandria county a few days ago, died at the Alexandria Hospital at an early hour this morning. As has been stated, the bullet from the constable's pistol passed through the left side of the young man. Cornell had a warrant for Steele's arrest, and he was fleeing from the former when shot. Preparations for holding a coroner's inquest were in progress today. Steele was 23 years old. He was a native of Prince William county.

Delicious Ice Cream.

Mr. H. Bloch sent to this office this afternoon from his confectionery, 615 King street, a freezer of ice cream which was pronounced unsurpassed in richness and flavor. The mercury was soaring into the nineties, and as gases of Araby did not come to the rescue, the freezer of cream arrived opportunely. Ice cream is a desideratum at any time; it is especially palatable during the prevalence of a hot wave, and none is more inviting than that prepared by Mr. Bloch.

Disease Abating.

Most of the persons who have recently been suffering from typhoid fever in this city are convalescing, and the malady is said by physicians to be on the wane. Numbers of cases supposed to be incipient typhoid fever never developed into that disease, and the patients soon recuperated. There is still much complaint of the unsanitary condition of portions of certain streets and lots in the corporation limits.

Mission in Grace Church.

Rev. Mr. Matthews, who some time ago conducted Bible readings and services in this city, will be here again next week and begin a series of services in Grace Church. All who attended the services conducted by Mr. Matthews on his previous visit to this city will remember the interest manifested. He will give Bible readings in the morning and probably preach every night during the week.

The Schools.

The final exercises of the public schools will begin on Monday morning next when Washington school, white boys, will be closed for the season. Lee school, white girls, will be closed on Tuesday. Snowden school, colored boys, and Hallows school, colored girls, on Thursday. On Wednesday night at the Opera House the teachers and scholars of Snowden and Hallows schools will present a cantata.

Dog Killed.

Worst of All Experiences.

Can anything be worse than to feel that every minute will be your last? Such was the experience of Mrs. S. H. Newton, Decatur, Ala. "For three years," she writes, "I endured insufferable pain from indigestion, at-mach and bowel trouble. Death seemed inevitable when doctors and all remedies failed. At length I was induced to try Electric Bitters and the result was miraculous. I improved at once and now I'm completely recovered." For Liver, Kidney, Stomach and Bowel troubles Electric Bitters is the only medicine. Only 50c. It's guaranteed by E. S. Leadbeater & Sons, druggists.
